<p>K-5 SCHOOLS – 18 projects maximum.</p> <p>We recommend a combination of 16 individual + 2 group projects (=18 total projects). You may choose to have a different combination of individual + group projects, but you <u>cannot</u> have more than 24 total <u>students</u> per school. No more than 4 students per group.</p>	# of INDIVIDUAL PROJECTS =	
	# of GROUP PROJECTS =	
	(maximum 18) Total Projects =	
	(maximum 24) Total STUDENTS =	

If "X" checked, provide description and space needed on other side or on attached sheet.
